**Subject:** Region 8 Press Release: EPA proposes Columbia Falls Aluminum Plant site for Superfund designation (Montana)  
**Attachments:** CFAC NPL Proposal press release final draftv2.docx

Hi all- a version of this press release will be issued tomorrow, following HQ issuance of the national release. For those of you who helped with earlier drafts, you will notice I added some boilerplate language from the national release related to the Superfund program and the 35<sup>th</sup> anniversary to this draft.

I expect we will update the CFAC website with a link to this release tomorrow, as well as a reference to the FR notice to provide info on how to comment, when it becomes available.

State, congs, locals will be notified. Please contact me with any questions or concerns.

Thanks all—especially Rob and Cynthia-- for your help!

Rich Mylott x 6654
